LITEPAPER TRAVELING TOKEN V.1.0

HOW BIG THE TRAVEL INDUSTRY ?

“As the economy for travel and tourism becomes more lucrative for a global audience, the travel industry grows as well. The global travel industry has grown from USD 6.03 trillion in 2006 to USD 8.27 trillion by 2017, growing at a CAGR of 2.9% — making the travel and tourism industry one of the world’s largest industries in the world in terms of global economic contribution (direct, indirect and induced).

travel and tourism's direct contribution to GDP was approximately 4.7 trillion U.S. dollars in 2020. This industry's market size was forecast to rise to 1.3 trillion U.S. dollars in 2021.”

The market size of the travel agency sector worldwide reached 290 billion U.S. dollars as of August 2021. Overall, approximately 196 thousand businesses operated in this market, while this industry employed nearly 1.6 million workers.

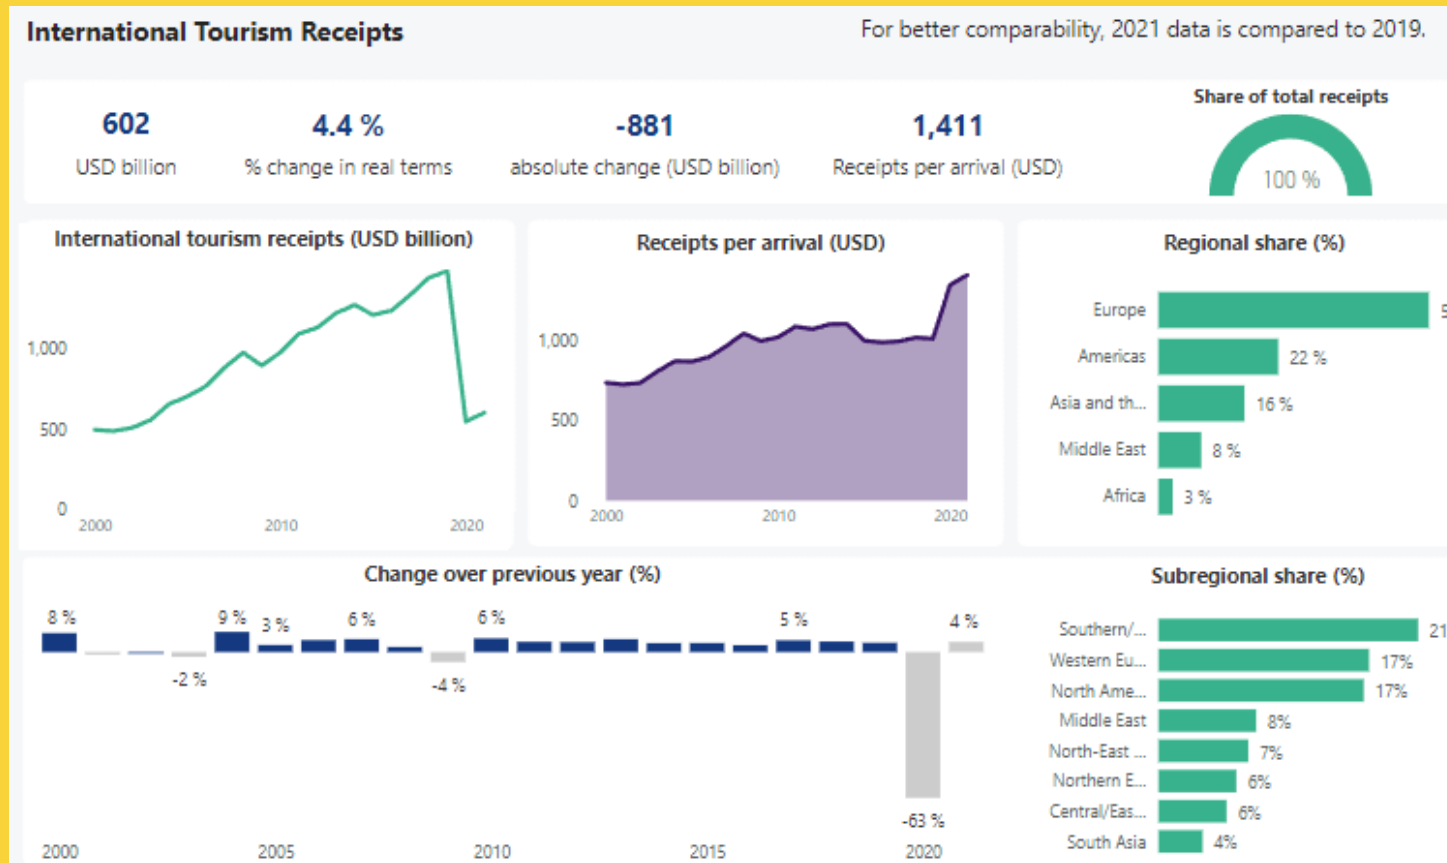

TRAVEL INDUSTRY AFTER COVID-19

TRVL SOLUTION

1. The potential of green jobs in tourism is yet to be fully realized and the recovery from the COVID-19 crisis presents an opportunity to promote the development of a more sustainable and inclusive tourism and to create green jobs.
2. The COVID-19 pandemic has caused an unprecedented jobs crisis and is having sweeping consequences on tourism jobs and enterprises, notably on small and medium enterprises, which account for around 80% of tourism businesses globally
3. With the drastic fall in economic activity, workers are facing devastating reductions in working time, potential job losses and growing decent work challenges.
4. The ILO estimates a loss of 225 million jobs worldwide in 2020 and very many are in the tourism sector. Women, young people, and migrant workers, the backbone of the tourism workforce worldwide, are particularly vulnerable and bear the brunt of the jobs crisis.
5. Many tourism employers are nevertheless taking the lead in supporting their workers and helping the communities in which they operate. Capitalising on these practices can repurpose tourism as a supporter for the community.
6. Traveling Token will help travel industry to grow together, grow stronger with blockchain technology. This token will help worker get the job, travel agent sell the package to public easily and can reach more traveler.
7. TRVL as a symbol of Traveling Token have the meaning of Travel Rush by Vocation Lovers. This is the movement of Traveler to start traveling again after Covid-19.

TRVL SOLUTION

Capitalising on the new services that tourism businesses and creative industries have been providing to destinations in times of crisis brings an opportunity to create stronger ties with local communities, integrate local wisdom and enhance local satisfaction with tourism. Communities may need business mentorship for their local entrepreneurship ventures to improve their supply chain inclusion. Furthermore, stronger local value chains bring social and economic benefits to local communities, reduce dependence on foreign suppliers while supporting the circularity of tourism operations. Empowering local community will help TRVL Token Grow faster. More than 50% of TRVL Token will help the local community to develop their tourism. It will help create a lot of job opportunities, bring the economy grow after covid-19 outbreak.

The commitment of the tourism stakeholders to transform the sector is supported through Traveling Token for the Transition to a Green Travel and Tourism Economy. They are the synthesis of the growing consensus that recovering from the COVID-19 pandemic must also tackle the underlying reasons and sustainability challenges.

With this focus, the TRVL Tokenomics are making a historical step forward for the transformation of the tourism sector, a step which should not be underestimated in its importance. The TRVL Tokenomics provide a framework to ensure that political and financial voluntary support from the TRVL Tokenomics build tourism back better is coordinated and coherent to maximise its impact, now using the blockchain technology.

At the same time, the TRVL Token offer the possibility to carry out regular and voluntary “sharing of experiences” to track progress and achieve what it is aimed for – a more resilient and inclusive tourism model built on the principles of sustainability for people, planet, and prosperity.
